Supplementary Statement to the York Pharmaceutical Needs Assessment 2022-2025

Supplementary Statement Issued February 2024 and edited in April 2024 to provide further clarification.

The following pharmacy has closed: Boots UK limited, 86 Clifton, YO30 6BA

The pharmacy provided the following services in addition to the core provision of all pharmacies in England.

- New medicine service
- Emergency contraception (paid-for)
- Weight management (paid-for)
- NHS blood pressure check service
- Appliance dispensing (prescription charge only)
- Prescription delivery service)
- Inhaler recycling
- Multi-lingual staff
- Needle and syringe exchange
- Private consultation room
- Flu vaccination service to at risk groups (NHS)
- Flu vaccination service to not at-risk groups (paid for)

These services were provided at the following times:

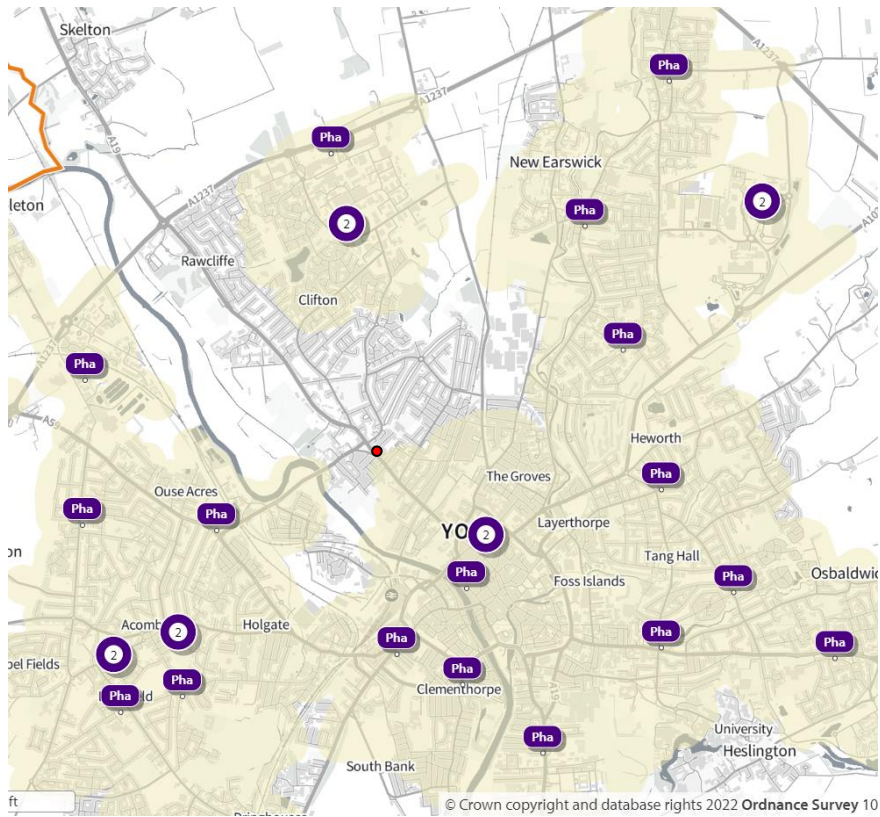

- Monday – Friday 9:00 – 17:30
- Saturday 9:00 – 17:00
- Sunday Closed

The pharmacy closed on 17th February 2024

Map

The red dot indicates the location of the now closed pharmacy.

The shaded areas on the map indicate areas which are within 15 minutes walk of a pharmacy. The white non-shaded areas are more than a 15 minute walk from a pharmacy.

It is our view that this now a gap in pharmacy provision in the Clifton area of York.
